Mountain Vista High School
Speech and Debate Program
2017-2018

Welcome to Speech and Debate at Mountain Vista High School! To continue the honorable tradition here at Mountain Vista, our team must exude determination, hard work, and pride. Each individual will be responsible for leading and teaching, as well as learning new techniques and possibly new events.

The coach for the MVHS Speech and Debate team is Shannon Vance. In addition to Vance, we will also have a number of veterans back to help team teach, lead, and guide all members. **Meetings will be held weekly** even if there is not a tournament in the upcoming week; **each member is required to attend meetings** unless he/she has academic reasons (making up a test, assignments, etc.) that would hinder attendance at such. Students should make the coach aware of this ahead of time. Students unable to attend meetings will be under review for participation in upcoming tournaments.

Speech and Debate consists of public speaking events in which students compete against each other on a weekly basis. Mountain Vista categorizes this into three main categories—interpretation events, supplemental events, and debate events. Interpretation events include the interpretation of humorous, dramatic, and poetic literature that is performed in accordance with established rules and in a certain time frame. Debate events include two of the most common forms of high school debate—Lincoln-Douglas Debate and Public Forum Debate, though as a team we also compete in Congressional Debate. Supplemental Events include Original Oratory (a self-written piece that is informative and persuasive), International and National Extemporaneous Speaking, and Student Congress. If a student has questions about a particular event or needs direction, he or she should speak with Mrs. Vance.

FEES for Speech and Debate are similar to other district activities and run \$200 per year. This includes entry fees, supplies and case briefs, academic lettering materials, and National Speech and Debate Association (NSDA) Membership. Accommodations may be made for students who are not able to meet these fees. Fees for overnight trips (if any), and supplies will not be covered and will require additional fees. **The set fee for the 2017 - 2018 season is \$200. You must pay \$100.00 by October 1st and the remainder (\$100) by November 1st. Each week failure to meet dues beyond November 1st will result in an additional \$20 per week.** If a student qualifies for the State Tournament and/or decides to attend the National Qualifying, additional fees will be required and must be paid separately. Team t-shirts are included in the fees if paid in full by October 1.

PRACTICES will begin after school starting **Tuesday, September 29th**. Practices are held Tuesday afternoons from 3:00– 5:00 pm in U312. Speech and Debate provides returns based on how hard each participant works. To compete at the highest level, you will need to work individually outside of school or with your debate partner to achieve success. The coach and captains will provide advice, guidance, and support but ultimately your performance is a reflection of your work and time. Mrs. Vance will do her best to meet with students on an individual basis by appointment.

COMPETITIONS are held primarily on Saturdays, usually lasting all day. While there are a number of opportunities for tournaments, students are not required to compete in every tournament scheduled. Sign ups will take place at practice the week before the tournament or on the Speech Veteran page on Facebook. Make sure to sign up early, as there is a limit to the number of teams able to compete. If you sign up for a tournament, you are expected to attend. If you cannot attend for any reason, you **MUST** let Vance know as soon as possible. Dropping a tournament anytime after the tournament “closes” will cost the team, and subsequently, you, a drop fee (\$20). ***You are responsible for your own***

transportation to and from the tournaments. Carpooling is encouraged. Please communicate with Mrs. Vance over any concerns.

By varying the schedule and giving some time to reflect on events, students and coaches will avoid burnout and perform at a higher level. The novice season begins in October and concludes with the first varsity tournament early in November. The remainder of the tournaments are at the varsity level, and any student expecting to letter must meet the lettering requirements.

Additionally, we may be involved in various fundraising activities throughout the year to either help pay for tournaments/transportation fees. Team members will be encouraged to take an assertive role or may be asked to help out of necessary. We have a booster club to which you may make tax-deductible donations. Please see Mrs. Vance or the Twitter or the Facebook pages for more info.

FOOD: Each week, we can use help with supplying food for tournaments. Since many of the tournaments are all day endeavors, it is important to have an abundance of food and drinks for the competitors. Many food items that can be purchased early and “stockpiled” for the season. Any assistance from families in this area would be greatly appreciated. Costco and Sam’s Club- sized items are perfect! Due to budgetary restrictions, the team will not supply food en masse at tournaments. **Please note, food (meals and snacks) will be available at the tournament through the host school *for purchase by individual students.* A sign-up sheet (via SignUpGenius) will be provided via email to students and parents.**

Basic Team Rules

DRESS CODE

Speech and Debate competition is one of the most conservative, professional activities in which high school students participate; therefore, the competitors should dress accordingly. Remember you are representing our school and yourself. Please be a positive role model. Please discuss clothing with Mrs. Vance if you are unclear. Coaches have the right to remove any student from competition who does not meet the dress code requirements for acceptability.

WHAT TO WEAR

Males:	Females
<ul style="list-style-type: none">● Dress Shirts (button up with collar, ironed, and tucked in)● Dress Pants (dark or khaki)● Tie (regular or bow tie)● Dress shoes with appropriate socks (<u>not white</u>)● Belt● OPTIONAL: Jackets/suits/sweater vest	<ul style="list-style-type: none">● Suits are optional but strongly encouraged● Dress Skirt (not short)/Pants & Nice Shirt (black is preferable) No Lycra or spandex or leggings● Nice Dress (be modest with cleavage)● Nice Shoes (Careful on heel height!)● Hair Pulled Back or neatly styled● Minimal makeup and jewelry

GROOMING: Be sure you are clean and presentable. Brush your hair and have it neatly styled. Shower. Clean/brush your teeth. Wear deodorant. Have clean fingernails. Remove chipped nail polish. Clean your glasses. Do not chew gum during competition. Put your best self forward. Judging is more than just your speaking and debating! This may seem obvious; believe me - people need to be reminded even in high school.
