Come to **Jam Club**, a place for jammin' right after school today, L501! Ben Affleck may or may not be there!

Girls Tennis is having an interest meeting tomorrow at 3:00PM, U409. Uniforms and sign-up information will be discussed.

January is almost over. The year is flying by. Seniors, have you completed your twenty hours of **community service** yet? The 'wall of shame' is posted outside the counseling office. Make sure to get your name removed if you want to graduate! You only have until April 24th.

Here is your chance to get those much needed community service hours. Run games at Fox Creek Elementary for their **Carnival at the Creek**, on Saturday, February 25th. See the counseling bulletin board for more information.
