American Legion Colorado Boys State aims to simulate and model Colorado State government through a fun and engaging program. Junior boys help build their very own government from the ground up - cities, counties, Political Parties, a Legislature and they even elect a Governor, Lieutenant Governor and two US Senators. This program is especially beneficial for students interested in attending any military academy. If you are interested in learning more about how you can participate, see Ms. LaMonte in the Counseling Office. There will be a quick Interest Meeting on Tuesday at 8:30am in the Library Conference Room
