Mountain Vista Students! Have you ever considered an alternative to going directly to college, or learning a skill that would guarantee a job as a way to make extra cash while attending college? Are you interested in a job that could pay you up to one hundred thousand dollars while you are being paid to train and go to school? If so, get ready to attend the **HIGHLY SKILLED CAREER EXPO** tomorrow, during a special extended SOAR! This event focuses on apprenticeships, work and military opportunities after high school. Mountain Vista will host twenty apprenticeships and businesses that are coming to share valuable information with you. In addition, all branches of the military and many colleges that offer high paying certificates will be here to answer your questions. Over 15 employers will be here looking for employees, 16 years and up, for part time

positions. You will not want to miss this event! If you have questions, please see Mr. Ragon in counseling.
