

Mountain Vista High School 2019 Required Reading

ACC
115

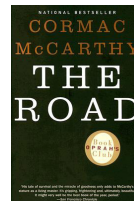

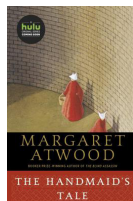

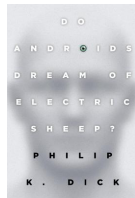

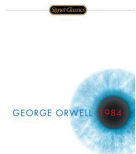

BOOKFAIR
2018

Students in the English Honors/AP Program will be expected to annotate the texts as they read; therefore, it is important to acquire the CORRECT ISBN/version of the literature so that ALL students are reading and discussing the same version/edition of each title. Purchasing the literature from Tattered Cover during the BOOKFAIR helps raise money for the MVHS English Department.
